

PAPER PLATE ROBIN

WHAT YOU NEED:

- Brown Paper Plates
- Red Paper Plates
- Brown Cardstock or Construction Paper
- Yellow, White and Black Paper Scraps
- Red Ribbon
- Paper Punch
- Sticky Tape
- Glue
- Scissors
- Pencil

HOW TO:

1. To make the robin's red breast cut a curve across the red paper plate. Use the photo as a guide.
2. Glue the curved piece onto the brown paper plate to make the robin's body.
3. To make the robin's wings draw around your hands onto brown cardstock and cut them out.
4. For the robin's eyes cut two white round shapes and two smaller black round shapes. Glue the black circles onto the white circles.
5. Use your yellow paper scraps to cut a triangle beak and two feet.
6. Glue the eyes, beak and feet onto your robin.
7. Glue your handprint wings onto the back of the paper plate.
8. Sticky tape a loop of red ribbon onto the back of the plate at the top.
